Article 1. Purpose

A. **Purpose:** The purpose of this Intergovernmental Service Agreement (IGSA) is to establish an Agreement between ICE and the Service Provider for the detention and care of persons detained under the authority of the Immigration and Nationality Act, as amended. All persons in the custody of ICE are “Administrative Detainees.” This term recognizes that ICE detainees are not charged with criminal violations and are held in custody to assure their presence throughout the administrative hearing process and to assure their presence for removal from the United States pursuant to a lawful final order by the Immigration Court, the Board of Immigration Appeals or other Federal judicial body.

B. **Responsibilities:** This Agreement sets forth the responsibilities of ICE and the Service Provider. The Agreement states the services the Service Provider shall perform satisfactorily to receive payment from ICE at the rate prescribed in Article 1 C.

C. **Rates:** This is a fixed rate agreement, not a cost reimbursable agreement, with respect to the bed day rate. ICE will be responsible for reviewing and approving the costs associated with this Agreement and subsequent modifications utilizing all applicable federal procurement laws, regulations and standards in arriving at the bed day rate.

Article 2. General

A. **Commencement of Services:** ICE is under no obligation to utilize the facilities identified herein until the need for detention services has been identified, funding has been identified and made available, and the Kent County Jail satisfactorily meets ICE requirements for detention services.

B. **Funding:** The obligation of ICE to make payments to the Service Provider is contingent upon the availability of Federal funds. ICE will neither present detainees to the Service Provider nor direct performance of any other services until ICE has the appropriate funding. Orders will be placed under this Agreement when specific requirements have been identified and funding obligated. Performance under this Agreement is not authorized until the Contracting Officer issues an order in writing. The effective date of the services will be negotiated and specified in a Task Order to this Agreement.

C. **Subcontractors:** The Service Provider shall notify and obtain approval from the ICE
Contracting Officer if it intends to house ICE detainees in a facility other than the Kent County Jail. If either the Facility or any future facility is operated by an entity other than the Service Provider, ICE will treat the entity as a subcontractor to the Service Provider. The Service Provider shall obtain the Contracting Officer’s approval before subcontracting the detention and care of detainees to another entity. The Contracting Officer has the right to deny, withhold, or withdraw approval of the proposed subcontractor. Upon approval by the Contracting Officer, the Service Provider shall ensure that any subcontract includes all provisions of this Agreement, and shall provide ICE with copies of all subcontracts. All payments will be made to the Service Provider. ICE will not accept invoices from, or make payments to, a subcontractor. Subcontractors that perform under this agreement are subject to the terms and conditions of this IGSA.

D. Consistent with Law: This is a firm fixed rate Agreement, not a cost reimbursable Agreement. This Agreement is permitted under applicable statutes, regulation, policies or judicial mandates. Any provision of this Agreement contrary to applicable statutes, regulation, policies or judicial mandates is null and void and shall not necessarily affect the balance of the Agreement.

Article 3. Covered Services

A. Bedspace: The Service Provider shall provide 30 (20 male and 10 female) beds on a space available basis for no more than seventy-two (72) hours. The Service Provider shall house all detainees as determined within the Service Provider’s classification system. ICE will be financially liable only for the actual detainee days as defined in Paragraph C of Article III.

B. Basic Needs: The Service Provider shall provide ICE detainees with safekeeping, housing, subsistence, medical and other services in accordance with this Agreement. In providing these services, the Service Provider shall ensure compliance with all applicable laws, regulations, fire and safety codes, policies and procedures. The types and levels of services shall be consistent with those the Service Provider routinely affords other inmates.

If the Service Provider determines that ICE has delivered a person for custody who is under the age of eighteen (18), the Service Provider shall not house that person with adult detainees and shall immediately notify the ICE Contract Officer Technical Representative (COTR) or designated ICE official. ICE will remove the juvenile as quickly as is reasonably possible.

C. Unit of Service and Financial Liability: The unit of service is called a “Bed Day” and is defined as one person per day. The bed day begins on the date of arrival. The Service Provider may bill ICE for the date of arrival but not the date of departure. The Service Provider shall not charge for costs that are not directly related to the housing and detention of detainees. Such unallowable costs include but are not limited to:
1) Salaries of elected officials
2) Salaries of employees not directly engaged in the housing and detention of detainees
3) Indirect costs in which a percentage of all local government costs are pro-rated and applied to individual departments unless, those cost are allocated under an approved Cost Allocation Plan
4) Detainee services which are not provided to, or cannot be used by, Federal detainees
5) Operating costs of facilities not utilized by Federal detainees
6) Interest on borrowing (however represented), bond discounts, costs of financing/refinancing, except as prescribed by OMB Circular A-87.
7) Legal or professional fees (including legal expenses for prosecution of claims against the Federal Government, legal expenses of individual detainees or inmates)
8) Contingencies

D. Interpretive/Translation Services: The Service Provider shall make special provisions for non-English speaking, handicapped or illiterate detainees. Upon request, ICE will assist the Service Provider in obtaining translation services through a toll free line. The Service Provider shall provide all instructions verbally, either in English or the detainees’ language, as appropriate, to detainees who cannot read.

Article 4. Receiving and Discharging Detainees

A. Required Activity: The Service Provider shall receive and discharge detainees only to and from properly identified ICE/ERO personnel or other properly identified Federal law enforcement officials with prior authorization from ICE/ERO. Presentation of and satisfactory inspection of valid U.S. Government identification will constitute “proper identification.” The Service Provider shall furnish receiving and discharging services twenty-four (24) hours per day, seven (7) days per week. ICE will furnish the Service Provider with reasonable notice of receiving and discharging detainees. The Service Provider shall ensure positive identification and recording of detainees and ICE officers. The Service Provider shall not permit medical or emergency discharges except through coordination with on-duty ICE officers.

B. Emergency Situations: ICE detainees shall not be released from the Facility into the custody of other non-ICE Federal, state, or local officials for any reason, except for medical or emergency situations, without express authorization of ICE.

C. Restricted Release of Detainees: The Service Provider shall not release ICE detainees from its physical custody to any persons other than those described in Paragraph A of Article IV for any reason, except for either medical, other emergency situations, or in response to a federal writ of habeas corpus. If an ICE detainee is sought for federal, state, or local proceedings, only ICE may authorize release of the detainee for such purposes.
The Service Provider shall contact the COTR or designated ICE official immediately regarding any such requests.

D. **Safe Release:** The time, point and manner of release from a facility shall be consistent with safety considerations and shall take into account special vulnerabilities. Facilities that are not within a reasonable walking distance of, or that are more than one mile from, public transportation shall transport detainees to local bus/train/subway stations prior to the time the last bus/train leaves such stations for the day. If public transportation is within walking distance of the detention facility, detainees shall be provided with an information sheet that gives directions to and describes the types of transportation services available. However, facilities must provide transportation for any detainee who is not reasonably able to walk to public transportation due to age, disability, illness, mental health or other vulnerability, or as a result of weather or other environmental conditions at the time of release that may endanger the health or safety of the detainee.

Upon release, detainees shall also be provided with a list of shelter services available in the immediate area along with directions to each shelter. Prior to their release, detainees shall be given the opportunity to make one free phone call to a friend or relative to arrange for pick up from the facility.

E. **Service Provider Right of Refusal.** The Service Provider retains the right to refuse acceptance of any detainee if such refusal is supported by a valid justification and agreed to by the COTR. ICE hereby agrees to the following examples of valid justification for refusal: any detainee exhibiting violent or disruptive behavior, or any detainee found to have a medical condition that requires medical care beyond the scope of the Service Provider’s health care provider. In the case of a detainee already in custody, the Service Provider shall notify ICE and request such removal of the detainee from the Facility. The Service Provider shall allowICE reasonable time to make alternative arrangements for the detainee. The Service Provider further has the right to refuse any person delivered by ICE who is under the age of eighteen and ICE shall remove such person, in accordance with Article 3.

F. **Emergency Evacuation:** In the event of an emergency requiring evacuation of the Facility, the Service Provider shall evacuate ICE detainees in the same manner, and with the same safeguards, as it employs for persons detained under the Service Provider’s authority. The Service Provider shall notify the COTR or designated ICE official within two (2) hours of evacuation.

**Article 5. ICE National Detention Standards and Other Applicable Standards**

The parties to this IGSA agree to enter into negotiations if and when the ICE Detention Standards are updated. This Agreement will be modified in writing upon mutual agreement.

The Service Provider shall house detainees and perform related detention services in accordance with the ICE Detention Standards Review Worksheet for IGSA - Rev: 07/09/07 Attachment
5C. ICE Inspectors will conduct periodic inspections of the Facility to assure compliance with the contract and the attached standards.

Article 6. Medical Services

A. The Service Provider shall be responsible for providing health care services for ICE detainees at the Facility, including: on-site sick call, over the counter medication and routine drugs and medical supplies.

B. In the event of an emergency, the Service Provider shall proceed immediately with necessary medical treatment of ICE detainees. In such event, the Service Provider shall notify ICE immediately regarding the nature of the transferred detainee’s illness or injury and type of treatment provided. The costs of all emergency medical services provided off-site will be the responsibility of the ICE Health Services Corps (IHSC) and at no time shall the Service Provider incur any financial liability related to such services.

C. A true copy of a detainee’s medical records shall be transferred with the detainee; the “true copy” to be the same as the current ICE standard: “transfer sheet”.

D. The Service Provider shall ensure that all health care service providers utilized for ICE detainees hold current licenses, certifications, and/or registrations with the State and/or City where they are practicing. The Service Provider shall retain a registered nurse to provide health care and sick call coverage unless expressly stated otherwise in this Agreement.

E. The Service Provider shall ensure that onsite medical and health care coverage is available for all ICE detainees at the Facility twenty-four (24) hours per day, seven (7) days per week. The Service Provider shall ensure that its employees solicit each detainee upon arrival for health complaints and deliver complaints in writing to the medical and health care staff.

F. The Service Provider shall furnish onsite health care under this Agreement as defined by the Facility local health authority on the effective date of this Agreement. The Service Provider shall not charge any ICE detainee an additional fee or co-payment for medical services or treatment provided at the Facility. The Service Provider shall ensure that ICE detainees receive no lower level of onsite medical care and services than those it provides to local inmates, if there are any.

G. Onsite health care personnel shall perform initial medical screening within (12) hours of the detainee’s arrival to the Facility. Sick call coverage, provision of over-the-counter medications, treatment of minor injuries, treatment of special needs and mental health assessments shall be available to the detainees. Arrival screening shall include, at a minimum, Tuberculosis (TB) symptom screening, planting of the TB skin test (PPD), or chest x-ray, and recording the history of past and present illnesses (mental and physical, pregnancy status, history of substance abuse).
H. The Service Provider shall furnish mental health evaluations as determined by the Facility local health authority and provide custody oversight and medication as needed.

I. If the Service Provider determines that an ICE detainee has a medical condition which renders that person unacceptable for detention under this Agreement, (for example, contagious disease, condition needing life support, uncontrollable violence), the Service Provider shall notify ICE. Upon such notification, the Service Provider shall allow ICE reasonable time to make the proper arrangements for further disposition of that detainee.

J. IHSC acts as the agent and final health authority for ICE on all off-site detainee medical and health related matters. The Service Provider shall release any and all medical information for ICE detainees to the IHSC representatives upon request, except where prohibited by federal or state law or regulation. The Service Provider shall submit a Treatment Authorization Request (TAR) to IHSC for payment before proceeding with non-emergency, off-site medical care (e.g. off site lab testing, eyeglasses, prosthetics, and dental care for cosmetic purposes). The Service Provider shall submit supporting documentation for non-routine, off-site medical/health services to IHSC. The Service Provider shall send requests for pre-approval for non-emergency off-site care electronically to the following address:
http://www.inshealth.org/ManagedCare/MCForms.shtm. Payment for all off-site medical care services will be made by IHSC directly to the offsite medical providers.

K. The Service Provider shall furnish twenty-four (24) hour emergency medical care and facility emergency evacuation procedures. In an emergency, as determined by the Service Provider, the Service Provider shall obtain the medical treatment required. The Service Provider shall have access to an off site emergency medical provider at all times. The Health Authority of the Service Provider shall notify the organization listed below as soon as possible, and in no case more than twenty-four (24) hours after detainee receipt of such care. The Health Authority will obtain pre-authorization for payment from the IHSC Managed Care Coordinator for service(s) beyond the initial emergency situation. Payment for all offsite medical services for the initial emergency need and for medical care required beyond the initial emergency situation will be made by IHSC directly to the medical provider(s).

L. The Service Provider shall allow IHSC Managed Care Coordinators or any ICE personnel reasonable access to its facility and medical records of ICE detainees for the purpose of liaison activities with the local IGSA Health Authority and associated Service Provider departments in accordance with HIPAA privacy exception at 45 C.F.R. §§ 164.512 (k)(5)(i).
M. The Service Provider shall provide ICE detainee medical records to ICE whether created by the Service Provider or its subcontractor/vendor upon request from the Contracting Officer's Technical Representative or Contracting Officer in accordance with HIPAA privacy exception at 45 C.F.R. §§ 164.512 (k)(5)(i), which allows disclosure without the written authorization of the individual or the opportunity of the individual to agree or object to a correctional institution or a law enforcement official having lawful custody of an inmate or other individual if the correctional institution or such law enforcement official represents that such protected health information is necessary for:

1. The provision of health care to such individuals;
2. The health and safety of such individual or other inmates;
3. The health and safety of the officers or employees of or others at the correctional institution;
4. The health and safety of such individuals and officers or other persons responsible for the transporting of inmates or their transfer from one institution, facility, or setting to another;
5. Law enforcement on the premises of the correctional institution; and
6. The administration and maintenance of the safety, security, and good order of the correctional institution.

N. The Service Provider shall direct offsite medical providers to submit all claims for authorized medical care to be submitted to the following address:

HIS VA Financial Services Center
PO Box 149345
Austin TX 78714-9345
(800) 479-0523

O. IHSC provides limited prescription drug coverage for individuals in the custody of ICE. Prescriptions are filled at local pharmacies which are part of the Script Care Network (or other designated Pharmacy Benefits Manager). Below is the process for obtaining prescriptions for ICE detainees:

1. The Service Provider shall request a group number which should be used at the pharmacy in conjunction with the BIN# 004410 and Processor Control # IHSC assigned by Script Care Network to designate this is an ICE detainee. The custodial facility should either fax or take a copy of the prescription to their participating pharmacy and indicate that this is an ICE detainee.
2. The pharmacy shall run the prescription through the Script Care network for processing.
3. Formulary prescription will be dispensed; however, there will be no need for an exchange of cash between the pharmacy and custodial facility as the pharmacy will receive payment directly from Script Care.
4. Non-Formulary prescriptions will follow the same procedure as formulary prescriptions; however, because non-formulary medications require prior
authorization the pharmacy will receive a rejection indicating prior authorization is required. At that point the custodial facility will fax to Script Care the Drug Prior Authorization Request Form to 409-833-7435. The authorization will be loaded into the Script Care network and the pharmacy will receive a call indicating the prescription has been approved. Non-Formulary urgent request must be submitted in the above manner except an X should be placed on the form in the space for URGENT REQUEST and faxed to 409-923-7391. The authorization shall be loaded into the Script Care network and the pharmacy shall receive a call indicating the prescription has been approved.

For further information regarding the Script Care Network please contact the VA Financial Services Center at 800-479-0523 or Script Care directly at 800-880-9988.

Article 7. No Employment of Unauthorized Aliens

Subject to existing laws, regulations, Executive Orders, and addenda to this Agreement, the Service Provider shall not employ aliens unauthorized to work in the United States. Except for maintaining personal living areas, ICE detainees shall not be required to perform manual labor.

Article 8. Period of Performance

This Agreement becomes effective upon the date of final signature by the ICE Contracting Officer and the authorized signatory of Kent County Jail and will remain in effect for a period not to exceed 60 months unless extended by bi-lateral modification or terminated in writing by either party. Either party may terminate this Agreement provided it supplies written notice of its intention to terminate the agreement, the reason for such termination and it is received ninety (90) days in advance of the effective date of formal termination, or the Parties may agree to a shorter period under the procedures prescribed in Article 11. If this Agreement is terminated by either party under this Article, ICE will not be under any financial obligation for any costs related to and arising out of the Agreement after the effective date of termination. The Service Provider will only be paid for services provided to ICE up to and including the day of termination.

Article 9. Inspections, Audit, Surveys, and Tours

A. Facility Inspections: The Service Provider shall allow ICE or an entity or organization approved by ICE, to conduct inspections of the Facility, to ensure an acceptable level of services and acceptable conditions of confinement as determined by ICE. No notice to the Service Provider is required prior to an inspection. ICE will share findings of the inspection with the Service Provider’s Facility Administrator. The Inspection Report will state any improvements to facility operation, conditions of confinement, and level of service that will be required by the Service Provider.

B. Facilities holding detainees for 72 hours or less are evaluated in accordance with Attachment 5C of this agreement. To this end, the ratings are scored as: Acceptable,
Deficient, At-Risk or Not Applicable. ICE will not house detainees in any facility that has received two consecutive overall ratings of less than acceptable. Upon notice that the second overall rating is less than acceptable, ICE will remove all detainees from the Facility within seven (7) calendar days. Any minimum guarantee stated elsewhere in this Agreement is no longer applicable if detainees are removed as a result of two overall ratings less than acceptable. No further funds will be obligated and no further payments will be made.

C. Possible Termination: If the Service Provider, after being afforded reasonable time to comply with the ratings as described in Paragraph B, fails to remedy deficient service identified through an ICE inspection, ICE may terminate this Agreement without regard to any other provisions in this Agreement.

D. Share Findings: The Service Provider shall provide ICE copies of facility inspections, reviews, examinations, and surveys performed by accreditation sources. The Service Provider shall cooperate fully with the Detention Service Manager (DSM).

E. Access to Detainee and Facility Records: The Service Provider shall, upon request, grant ICE access to any record in its possession, regardless of whether the Service Provider created the record, concerning any detainee held pursuant to this Agreement. This right of access includes, but is not limited to, incident reports, records relating to suicide attempts, and behavioral assessments and other records relating to the detainee's behavior while in the Service Provider's custody; provided, however that access to medical and mental health record information be provided in accordance with Article VI. Furthermore, the Service Provider shall retain all records where this right of access applies for a period of two (2) years from the date of the detainee's discharge from the Service Provider's custody. This right of access specifically applies to all inspections and other Facility reports.

Article 10. Modifications and Disputes

A. Modifications: Actions other than those designated in this Agreement will not bind or incur liability on behalf of either Party. Either Party may request a modification to this Agreement by submitting a written request to the other Party. A modification will become a part of this Agreement only after the ICE Contracting Officer has approved the modification in writing.

B. Change Orders:

1. The Contracting Officer may at any time, and by written change order, make changes within the general scope of this Agreement in any one or more of the following:

(a) Description of services to be performed, including revisions to the applicable Detention Standards.
2. If any such change causes an increase or decrease in the cost of the services under the Agreement, the Contracting Officer will make an equitable adjustment in the agreement price and will modify the Agreement accordingly.

3. The Service provider must assert its right to an adjustment under this Article within 30 days from the date of receipt of the written order including a proposal addressing the cost impacts and detailed supporting data.

4. If the Service Provider's proposal includes costs that are determined unreasonable and/or unsupportable, as determined by the Contracting Officer, the Contracting Officer will disallow those costs when determining a revised rate, if any.

5. Failure to agree to any adjustment will be a dispute under the Disputes section of the Agreement. However, nothing in this Article excuses the Service Provider from proceeding with the Agreement as changed.

C. Disputes: The ICE Contracting Officer and the authorized signatory of the Service Provider will settle disputes, questions and concerns arising from this Agreement. Settlement of disputes will be memorialized in a written modification between the ICE Contracting Officer and authorized signatory of the Service Provider. In the event a dispute is not able to be resolved between the Service Provider and the ICE Contracting Officer, the ICE Contracting Officer will make the final decision. If the Service Provider does not agree with the final decision, the matter may be appealed to the ICE Head of the Contracting Activity (HCA) for resolution. The ICE HCA may employ all methods available to resolve the dispute including alternative dispute resolution techniques. The Service Provider shall proceed diligently with performance of this Agreement pending final resolution of any dispute.

Article 11. Adjusting the Bed Day Rate

ICE will reimburse the Service Provider at the fixed detainee bed day rate shown in Article I paragraph C. The Service Provider may request a rate adjustment no less than thirty-six (36) months after the effective date of the Agreement unless required by law. After thirty-six (36) months, the Service Provider may request a rate by accessing the link at https://edis.usdoj.gov/igaice/ for access to the ICE Automated Intergovernmental Agreement (eIGA) System for instructions on preparing your Jail Operating Expense Information Form. There is a Facility Guide available on the website to assist you. The Parties agree to base the cost portion of the rate adjustment on the principles of allowability and allocability as set forth in OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments, federal procurement laws, regulations, and standards in arriving at the bed day rate. If ICE does not receive an official, written request for a bed day rate adjustment that is supported by documentation, the fixed bed day rate as stated in this Agreement will be in place indefinitely. ICE shall issue a determination to accept or reject a written request from the Service Provider for a rate adjustment of bed day rate within ninety (90) days of the date of such written request. In the event the rate adjustment is denied or ICE fails to respond to
Service Provider's request for rate adjustment within such ninety-day period, Service Provider shall have the right to terminate this Agreement in accordance with Article 9. ICE reserves the right to audit the actual and/or prospective costs upon which the rate adjustment is based. All rate adjustments are prospective. As the bed day rate is fixed, there are no retroactive adjustment(s).

**Article 12. Enrollment, Invoicing, and Payment**

A. **Enrollment in Electronic Funds Transfer:** The Service Provider shall provide ICE with the information needed to make payments by electronic funds transfer (EFT). If the EFT data changes, the Service Provider shall be responsible for providing updated information to the ICE payment office.
